RESETTLEMENT IN DENVER AREA HALTED FOR 180 DAYS

The rapid influx of evacuees into Denver, northern Colorado and Otero county has caused a saturation in that area. Acute housing conditions as well as limited good job offers are other evident conditions.

In view of these factors, Relocation supervisor Harold S. Choate of the Denver district has requested that all indefinite leaves to that section be discouraged or denied for a period of about six

months.

Choate, in a letter to Project Director Ray D. Johnston stated that the former Japanese, the voluntary evacuees and the newly relocated nisei have increased the Oriental population. Other evacuees have drifted to northern Colorado from the south or from other states to further raise the figure.

He urged that all residents leaving the Center be instructed not to accept jobs in other localities and then leave for that area.

Denver and the following seven northern counties will be closed to indefinite (Continued on page 2)

Two hundred recruits are needed and candidates must be 16 years of age and over. A few exceptions are being made to allow boys of 15 years to work if they are physically strong.

Arrangements for this plan were made through the local PTA, school officials, and the WRA.

LT. PATCH IS
NEW LEADER

"In my opinion, most people on the outside think that the relocation centers are concentration camps. They don't realize the setup here. A process of education to enlighten them through newspapers would be helpful," stated 1st Lieutenant Ernest W. Patch, during a special interview granted to the writer.

Lt. Patch was recently transferred from the 766 MP Battalion in Camp Robinson to Rohrer to replace Captain Russell P. Hastings as commanding officer of the MP unit here. Hastings is at present assigned to the Hereford Internment camp in Texas.

"I thought that the recent open house for the newspaper men was very good," continued Patch who also revealed that he was a civil engineer in Payette, Idaho, prior to his army service.

Lt. Patch is assisted by 1st Lieutenant John N. Edwards (Plans and transportation) and 2nd Lieutenant Earl T. Burroughs (Personnel, mess and exchange.)

An enlisted man for twelve years prior to his commission, Lt. Burroughs was raised from the ranks. He stated that the men have enjoyed the many softball games between the MP and the Center teams.

SUMMER SESSION STARTS

During the five weeks of summer vacation, over 2,000 local students will have fun and worthwhile activities at the Summer Leisure Time program starting Aug. 9 under the co-directorship of Margaret Sorenson and Ira Holland.

Appointed and evacuee staffs from Education and CA, totaling over 60 counselors, instructors and coaches, will be in charge.

Assisting the counselors and instructors will be a number of junior leaders, older boys and girls from the high schools.

The 25 different activities and interest groups are divided into three types: active (early mor-

nings and evenings); crafts and hobbies (late mornings and afternoons); and quiet (afternoons).

Active interest groups include: softball, tumbling, volleyball, indoor and outdoor games and parties, camping and picnics, hiking and nature study, folk dancing, social dancing and trips in the Center to points of interest.

Craft and hobby groups include: drawing and painting, woodcarving, clay modeling, etc., model building, crocheting, and embroidery, knitting, sewing, weaving, dramatics, music, marbles and clubs.

Quiet interest groups include: moving pictures,

story telling, reading, fishing, singing and music hour (records).

The various groups are being organized on the age range basis of 8 years and younger; 9 to 11 years; 12 to 14; and 15 years and up.

Groups will meet Mondays through Fridays from 8 to 9:30 a.m.; 10 to 11:30 a.m.; and 2:30 to 5 p.m. There will also be evening groups from 7 to 9 p.m. for students from the fifth to the twelfth grades.

Any adult and older boys and girls interested in assisting the counselors and instructors are requested to indicate their interest at PS hall 32 or at 35-12-D.

IMPROVEMENT IN SCHOOL PLANS

With July 30 as the last day of school, summer vacation is just around the corner for Rohwer students.

When the students report back to school on September 6, many improvements in the two blocks are to be completed by the Public Works division.

Present plans call for alteration of mess halls to provide more space for both the study halls and the libraries and installation of wall boards in each of the classrooms. Drinking fountain will be installed on the school

grounds.

On the senior high school field, construction of the new home economics building as well as the shop building will be started.

With the cancellation of the contract between the Rohwer Co-op and Montgomery Ward and Co., mail orders to this company through the department will be discontinued from July 30. All future orders must be made individually by the residents and sent directly to the company.

However, the Co-op will continue to handle woolen yarn and food stuff at the mail order department.

The contract cancellation was also made in the other relocation centers.

CHILDREN'S BOOK EXHIBIT

Tomorrow morning the Rohwer Relocation library at PS hall 19 will open its door to the Children's book exhibit. Fifty modern books by some of the most outstanding and widely known authors and illustrators such as, Arthur Rockham, Maud and Miska Peterham, Howard Pyle, Dorothy Lathrop, Lynd Ward, Peggy Bacon and many others, will be exhibited.

Topping the many highlights of this display are the two books illustrated by Thomas Handforth; the illustrator of "Meli", and Virginia Lee Burton, the illustrator of "Little House" who both are the winners of the famed Caldecott medal awards. This

award was established and endowed by Frederic G. Melcher in 1937. It is presented by the Children's librarians' section of the American library association annually for "The most distinguished American picture book for children," published in the past year.

The medal is named in honor of the nineteenth century English artist Randolph Caldecott, the first and one of the most famous illustrators of books for children. Thomas Handforth was the winner in 1939 and Virginia Lee Burton in 1942.

Probably the outstanding contribution to the children's library is the donation of four autographed

books with the inscription, "With best wishes to the American Children of Japanese Ancestry" by Elizabeth Janet Gray, 1942 winner of the Newbery medal award.

The Newbery medal, named for John Newbery famous London bookseller of the 18th century, is also awarded annually by Mr. Melcher, editor of Publishers' weekly, to the author of the "the most distinguished contribution to American literature for children, published during the preceding year."

The Children's library day was made possible by Mrs. Matilda Rens and the student teachers' child literature class.

ALL-STAR SUCCUMB TO FLORIN

TRIPLES, ERRORS PROVE COSTLY; HERB KURIMA HURLS 5-HITTER

Outclassed at bat and on the field, the local All-star nine went down to defeat, 5-1, Sunday, against the smooth-working Florin baseball machine at the Junior high diamond before the largest crowd to attend a baseball game in this Center.

Florin's ace chucker, Herb "Moon" Kurima and Will

Kagawa, Lodi's pride and joy, hooked up in a brilliant hurling duel for six innings before the roof fell in for the locals in the late moments of the tilt.

Florin drew blood first when firstsacker Hi Ikeda caught hold of one of Kagawa's pitches on the nose and blasted a tremendous hit over the centerfielder's dome in the fourth frame for a triple, scoring Yase Chono, who had singled. Ikeda died on third as the next man grounded out.

Again it was a triple which accounted for a tally for the visitors when left fielder Yosh Tsukamoto socked a three-bagger down the left field foul line in the sixth inning scoring

Yoshida Enjoys Perfect Day At Bat

The State League All-stars toppled the visiting Old Men's All-star nine from Jerome, 6-3, Sunday afternoon before a huge crowd at the Senior high school diamond.

The local nine started with a bang by tallying twice in the initial frame when rightfielder Masuhara socked a single to center scoring Iwamiya and Ogasawara, both of whom walked.

Three hits, coupled with three walks, accounted for three more runs in the second inning, the three-run splurge clinching the tilt for the local aggregation.

Yoshida's hit to center knowked in catcher Tomiyama, who had annio oakloyed for the final tally in the third canto for the State League All-stars.

Behind 6-0, the visitors put on a two-run rally in the fifth and scored again in the sixth inning. Otherwise, Nishiyama, who chucked the first four frames, and Tanaka held the Jerome nine at bay, scattering six hits between them.

Short-center fielder Yoshida copped batting honors, enjoying a perfect day at bat with two hits and a free pass.

ALL-STAR TILT TAKES TRIPLE TOLL

Things happened fast and plenty in the Florin-Rohwer tilt Sunday. In the seventh inning, Sakae Yamashita, Rohwer All-star backstopper, tagged out Hutch Omachi sliding in from third and in the course of the action, was spiked above the left knee. Taken to the hospital immediately, the injury required seven stitches. Yamashita is now resting at his home in Block 28.

In the next inning, young Sat Oune received a minor spike wound on his hand when he attempted to tag out a Florin player sliding in from first.

A few moments later, the press box roof caved in when the weight of the spectators on the roof proved too heavy. Though nobody was injured, Barry Saiki, OUTPOST editor, received a light tap on the head by the falling roof.

MUTINEERS TOPPLED FROM UNDEFEATED RANKS, 2-0

The Rebels toppled the Mutineers from the undefeated ranks Monday when they defeated the hitherto unbeaten nine, 2-0, in an "A" Softball tilt.

With two away, Mutineer chucker Kumao Shimamoto loaded the sacks with walks. Sat Ome then came through with a hit to score Akira Kume from third. Sam Ichiba followed with another hit

on Hi Ikeda's second hit of the day, a slashing one-baser to left field.

Rohwer came back in their half of the sixth when young Sam Ichiba patted one off Moon Kurima's chucks for a triple. Frank Kamibayashi layed down a squeeze bunt, Ichiba scoring the lone Rohwer score of the game on the play.

The visitors pulled away in the last two innings, scoring once in the eighth and twice in the last frame. Kase Chone banged out the fourth triple of the game in the eighth and promptly dented the platter on Hi Ikeda's hit to right field. Florin was gifted with the final two tallies when three consecutive errors let in the two runs.

Herb 'Moon' Kurima was supreme against the local batsmen, scattering five hits, whiffing five and issuing only one free ticket to first. Will Kagawa was tagged for eight hits, the three triples doing the damage. His support on the field was weak as the local nine had seven errors to their credit.

Hi Ikeda prove to be Kagawa's nemesis as he blasted out a triple, a brace of singles, and batting in three runs.

HERO Of The WEEK

(Ed. note: This column will be inaugurated from today and herewith will appear every Wednesday. Each week, any athlete, male or female, who distinguishes himself in sports, major or minor, will be introduced.)

The hero of the week is young Oscar Shimozaki, hurling ace for the youthful Lodi Flames, champions of the "B" league and now battling in the "A" loop with the big boys.

17-year-old Shimozaki hurled a no-hit, no-run game Saturday against the Joker Y's, Flames' arch opponents. The "Hall of Fame" tilt he hurled was the first of the current "A" Softball league season.

This young chucker jumped out of mediocrity into a first-class twirler by constant practice and having confidence in himself.

He has yet to reach his peak, but he's headed there plenty fast at the progress he is going at present. He's got plenty of no-hit-ters left in that sturdy right arm of his and so he'll probably visit us (the column, I mean) again. Hats off to Oscar Shimozaki!

Block 9 Conquers Yehudi's, 7-0

With Mac Oshita twirling three-hit ball, the powerful Block 9 team downed the Yehudi's, 7-0, Friday in an "A" Softball league tilt.

The Block 9 squad collected six hits to tally seven runs, with errors and walks giving a helping hand. Yo Oshita blasted a four-ply blow in the fourth while teammates Sad Baisshiki and Ish Sano each hit two-for-four.

Mac Oshita was never in hot water, fanning four and issuing only two passes.
